

Go Green with Vermont Student Assistance Corporation (VSAC) and access disbursement reports online!

Do you currently view your Loan Disbursement Rosters through **myVSAC**? Would your office like to stop receiving the paper copy of the Disbursement Roster? If so, as of March 9, 2009 you have the option to request that VSAC stop mailing or faxing paper copies of your Disbursement Roster for FFELP and Alternative loans.

Not familiar with myVSAC? **myVSAC** is a portal that allows school staff to view loan and grant information for students attending your institution. With **myVSAC**, users can view loan and grant information, hold and release loan disbursements, view disbursement and debit/credit rosters and generate student loan exit interview forms.

If you would like to sign up for the **myVSAC** service, or would like to request that VSAC stop mailing and faxing Disbursement Rosters, please contact our School Services team at 1-888-307-8722 or e-mail at schoolservices@vsac.org.
